Lucidchat: <https://www.lucidchart.com/pages/?noHomepageRedirect=true>

The screenshot displays the Lucidchart website interface. At the top, there is a navigation bar with the Lucidchart logo, links for Enterprise, Solutions, Resources, Pricing, Documents, and a user profile for shtang@hsu... Below the navigation bar, the main heading reads "Actionable insights for every team" with a subtext: "Elevate your perspective. Diagram anything—ideas, information, and processes—to drive better decisions in every area of your business." A sidebar on the left lists various departments: IT (Automatically visualize architecture), People Management (See deeper into your org), Sales (Close bigger deals faster), Engineering (Plan and communicate your vision), Operations (Increase efficiency), and Project Management (Keep projects on track). The central area features a cloud architecture diagram with a filter menu on the left and an "Object Details" panel on the right. The filter menu includes options for Region, VPC, Availability Zone, and Subnets, along with a "Filter Data" section for ELB Stage: Application and S3 Tag: Application. The "Object Details" panel shows information for a selected object, including NetworkInterfaces (1), Monitoring (0), EbsOptimized (0), ElasticGpuAssociations (0), and Tags (4). A red arrow points from the "IT" department filter to the cloud diagram. Below the diagram, there is a text block: "Better understand and optimize your cloud architecture through automatically generated diagrams that are accurate, up-to-date, interactive, and consistent across the organization." and a "Learn more" link.

Kahoot! : <https://kahoot.com/>

The infographic is titled "How does Kahoot! work?" and is set against a blue background. It is divided into three main sections: "Create", "Host", and "Play".

- Create:** Features an illustration of a man with a beard and a white shirt. The text below reads: "It only takes minutes to create a learning game or trivia quiz on any topic, in any language."
- Host:** Features an illustration of a woman with her arms raised in a red and purple background. The text below reads: "Host a game with questions on a big screen to engage students, colleagues, your friends or family."
- Play:** Features an illustration of a woman in a green hat holding a smartphone. The text below reads: "Game on! Join a kahoot with a PIN provided by the host and answer questions on your device."

Below these sections is a blue button that says "Play Kahoot! to see how it works! Explore our featured games!".

At the bottom of the infographic, it states "More than **1,000,000,000** players a year".

Four colored boxes provide additional statistics:

- Red box: "More than 50% of US teachers use Kahoot!"
- Blue box: "Players in more than 200 countries"
- Yellow box: "Over 30 million public games available"
- Green box: "97% of the Fortune 500 use Kahoot!"
